

SMC Privacy Notice (“Notice”)

This Privacy Notice addresses how Security Monitoring Centre BV, Hoog Kellenseweg 2, 4004 JB Tiel, Nederland (“SMC”) may collect and process personal information from you, *separate and apart from its websites and mobile applications*. The privacy notice for the SMC website is available on that particular website.

SMC interacts with individuals in a variety of ways: employees of SMC customers, contact persons of SMC customers and end users of SMC products and services. To enable these interactions, SMC is collecting and processing personal information. SMC has implemented technical, organizational, administrative, and physical measures to safeguard any personal information SMC may process. As this Notice is intended to cover a variety of situations, some information in this Notice may not apply to you.

This Notice may be modified from time to time without prior notice. Please review this Notice on a regular basis for any changes. The effective date of the current version appears at the end of this Notice.

What personal information might SMC collect?

The personal information that SMC collects is subject to applicable legal and contractual requirements. Because this Notice covers a wide variety of situations, there may be data elements listed here that do not apply to your specific situation. Please contact SMC if you have any questions.

<ul style="list-style-type: none"> - The Alarm Processing System <ul style="list-style-type: none"> - For alarm processing of incoming alarms (log book is stored and in some cases access information) - National Response whereby a security agency is getting orders from SMC (eg by checking on the location in case of an alarm) and whereby the name, address and telephone number of the customer can be provided - Video platforms <ul style="list-style-type: none"> - To be able to assess the video images - In case of an alarm, SMC employees and the local police can watch "live" video images - ERP system <ul style="list-style-type: none"> - For the contract administration and invoicing - Tracking & Tracing application <ul style="list-style-type: none"> - For locating - Teleservice application <ul style="list-style-type: none"> - For handling incoming messages at the teleservices - Archive <ul style="list-style-type: none"> - For storage of the customer's file

With whom might SMC share the information it collects?

SMC will not sell or otherwise share your personal information outside SMC, except to:

- Carrier group companies, but on a strict 'need to know' basis (e.g. for internal audit purposes), and by respecting the therefore legal available transfer mechanisms;
- service providers SMC has retained to perform services on SMC behalf. SMC will only share your personal information with service providers with whom SMC has signed a processing agreement except as necessary to perform services on SMC behalf or to comply with legal requirements, including but not limited to in response to a legitimate legal request from law enforcement authorities or other government regulators;
- investigate suspected or actual illegal activity;
- prevent physical harm or financial loss; or
- support the sale or transfer of all or a portion of SMC business or assets, including through bankruptcy.

Where does SMC store your personal information?

SMC stores your Personal Information in the Netherlands. Only for customer and visitor screening, the control is carried out via an automated database of one of SMC's service providers currently located in the United States. SMC has signed a data transfer agreement with the service provider to guarantee the protection of the data.

How long does SMC retain Personal Information?

SMC retains personal information for the length of time required to fulfill the purpose for which it was originally collected and for any additional period as required by applicable law or regulation, court, administrative or arbitration proceedings, or audit requirements.

What choices do you have about how SMC uses your personal information?

SMC will use your personal information for executing its contractual obligations towards its customers and business partners.

You will always have a choice about whether SMC uses your personal information for direct marketing purposes. If you have provided SMC with your personal information and would now like to request that it is no longer used for marketing purposes, please contact avg@smc-alarmcentrale.nl.

You have the right to lodge a complaint with the Autoriteit Persoonsgegevens. You also have the right to withdraw consent, to request access to and correction or erasure of your personal information, seek restrictions on or object to the processing of certain personal information, and seek data portability under certain circumstances. To contact SMC regarding the above, please email avg@smc-alarmcentrale.nl.

How can you contact SMC?

If you wish to access, correct or update your personal information, or if you have questions about SMC's privacy practices in general or a complaint, please email avg@smc-alarmcentrale.nl.
